WINE ACCOMPANIMENT

GUEST WINEMAKER GREGOR KUONEN BRINGS WINTER TO THE GOURMET VILLA

OUR PASSION, YOUR PLEASURE.

The Gregor Kuonen Caveau de Salquenen winery was founded in 1979. With a great deal of passion and the highest quality standards, our winery has established itself over the last four decades as a top address in the Swiss wine industry: Numerous best awards and over 300 gold medals at national and international wine awards adorn our honor roll today.

The love for our vines is the basis for our top wines. The southern slopes around Salgesch also provide our winery with ideal soil conditions and over 300 days of sunshine a year. We vinify the grape harvest with passion, many years of experience and a lot of patience to more than 60 selected wines. We are always satisfied with only the best: noble drops that accompany our wine lovers in their most beautiful moments.

In 2016, Patrick Revey succeeded Charles Kuonen and now runs the winery together with founding partner François Kuonen. His daughter Larissa Kuonen, as oenologist, shares responsibility for the quality of our top wines.

Let yourself be seduced by our wine creations!

PLEASURE WITH SOUL

WHERE FRESHNESS AND QUALITY ARE GUARANTEED.

FISH

We purchase freshwater fish from certified fishermen or from controlled breeding in Swiss lakes.

BEEF AND VEAL

Our veal and pork meat is provided exclusively by farms in Central Switzerland that are committed to animal welfare. Our Chef knows all the producers personally.

EGGS & CHEESE

Swiss free-range eggs are delivered by our supplier who stands for species-appropriate keeping of the hens and for a careful processing of the products.

We use pasteurised egg products for our desserts and pasta.

Our goat, mountain and alp cheeses come from the Odermatt cheese dairy in Dallenwil and from the Oberberg cheese dairy in Schüpfheim in the middle of the UNESCO Biosphere in the Entlebuch.

Gmües Mattli in Kastanienbaum, Horw, delivers us seasonal vegetables from rigorous and small-scale cultivation.
