

Empathy & Excellence

HOTEL ★ ★ ★ ★ ★ LUZERN SCHWEIZERHOF

At the most prominent location of the City of Lights Lucerne, our hotel serves as a central starting point for numerous festivals and exclusive shopping boutiques in the immediate vicinity, with all of the city's main attractions just a few minutes away on foot.

We are welcoming you with 101 award-winning double rooms and suites where the Schweizerhof-history comes alive. However, the modern design of these rooms is only part of the overall concept: every single guest room tells a story about the visits of famous people such as writers, musicians or actors to the Hotel Schweizerhof Luzern.
