## ROOMS

Extend your stay at the Hotel Schweizerhof Luzern and book a room or a suite for yourself and your guests. To spend a night with us is a real experience:

Discover the long history of the hotel in your room. Stories that former hotel guests such as writers, musicians or actors have experienced at the Hotel Schweizerhof Luzern.

This way you get to know, how in 1859 hotel guests protected themselves against the noise of Richard Wagner who was composing in his guest room. Or how (at that time not yet 'Sir') Winston Churchill, 19-years-old, in 1893 was adoring the electric light of the Schweizerhof. But also anecdotes from several festivals are not missing, for example how B.B. King spontaneously played his guitar 2002 in our Zeugheer ball room.

Your company stays at special rates during your event. Ask us for an offer with your reservation.
